COMPANY OVERVIEW

Shermez Logistics LLC, a Service-Disabled Veteran-Owned and Woman-Owned Small Business, coordinates nationwide door-to-door transport of high-value assets, including boats, yachts, vehicles, heavy equipment, and estate assets, for government and commercial customers. Our approach is built on 28+ years of combined military aviation supply chain experience.

We vet carriers and verify their insurance before every move. We document every transport, with one point of responsibility and clear communication from pickup through final delivery.
